#### Remarks

Total charm at a great price! Large eat-in sized kitchen with center island looks out to the private, level and lushly landscaped yard. Three upstairs bedrooms and a fourth bedroom or office on the first floor. Fireplaced living room with Arts and Crafts style detail and great first floor ceiling heights. This is a truly warm and comfortable home. The price reflects the needs for some updates, but your efforts will be well rewarded. Great location: quiet and far enough from the bustle, yet super easy commute in every direction with both back road and easy highway access. Don't miss this opportunity to live in Wellesley at this price.
